

SAINT FELIX SCHOOL
SOUTHWOLD

School Transport Bad Weather Policy

On days when weather conditions make the roads dangerous we will suspend the school minibus service. This includes days when there is black ice, high winds, or risks of flooding as well as snow days. Notification of this will be put on the website.

On days such as this, parents should check the school website before sending their son to catch the bus in the morning. If the cancellation of the bus means it is impossible for a parent to get their son to school that day the parent should ring the school and report him as absent. However, it is expected that parents will make every effort to get their son to school using some other means if the school is open on that day. There will be days when the school bus is cancelled because of the high risk that it faces of having an accident due to the nature of the vehicle and the roads it is going along, but on which the risk of a private car having an accident are slight.
