

Saint Felix Nursery Newsletter

19th January 2018

Dear Parents and Guardians

We continue our topic on Colour, Pattern and Shape, with a week focused on 2D and 3D shapes. We took the children on a shape walk around the school, looking for shapes in the environment. Whilst some children were looking for 2D shapes on the buildings, windows and on signs, some were looking for 3D shapes which were a lot harder to spot!

There have been a variety of shape activities on offer in the classroom to help develop the children's naming and recognition. The adults have been supporting the children in these activities by helping them to engage in age appropriate, focused learning whilst making the objectives a fun and exciting part of their play.

The Reception staff are looking forward to meeting and welcoming the parents of those children who will be joining the Reception class at Saint Felix in September 2018, during the assembly on Tuesday 23rd January.

Friday 26th January is RNLI Day at Nursery. All the children in Bronte are encouraged to wear yellow or stripy clothing and to bring in £1 towards this invaluable cause. Thank you for your support.

Dates for your diary:

23/1/18 – 'Welcome Assembly' for the children going to Reception in September 2018

26/1/18 – RNLI Day

9/2/18 – Break up for half term

Yours sincerely

Caroline Bridle
Nursery Supervisor
