

## Saint Felix Nursery Newsletter

25<sup>th</sup> January 2019

Dear Parents and Guardians,

I am pleased to say that Car Week has been as popular with the girls as it has been with the boys in the nursery. Young children can engage in the same theme regardless of gender and enjoy the same activities as long as they are presented in an exciting way.

The children have been encouraged to explore cars with pens attached to them. The literacy objective was for the children to make marks on the paper, and make connections with their movements and the marks they were making. The activity was differentiated by the questions that the adults asked. We talked about what they were doing, how they did it and if they could make specific lines, shapes or letters.

It is brilliant to see how enthusiastic the children are about this topic by the related books and artefacts they are bringing into nursery. Just so you are aware, next week will be focused on Aeroplanes and Helicopters, Boats the week after and the last week before half term will be Hot Air Balloons.

Thank you to the Friday parents for your donations and support for RNLI Day. The children looked great in their nautical clothing and enjoyed listening to the Lifeboat Crew about the vital service they provide.

### **Dates for your diary:**

Friday 15<sup>th</sup> February – Break up for Half Term.

Monday 25<sup>th</sup> February – School commences

Yours sincerely,

Caroline Bridle

Nursery Supervisor
