

Dear Parents,

We have had a busy week in the Nursery with the children enjoying a range of 'vet' themed activities. The home corner is now a very busy veterinary surgery where the children have dressed up as vets and measured, weighed and bandaged animals. They were fascinated to see the real animals' x-rays which we viewed on the light box. The children used the x-rays as inspiration to create their own animal x-rays using chalk on black paper; these are now on display in the classroom.

Many of you will have noticed the chocolate hamper raffle in the foyer. Raffle tickets can be purchased from the Nursery for £1 per strip; please support our fundraising efforts to enhance our Nursery garden.
