

Saint Felix School

Headmaster: Mr James Harrison BA (Hons)

5th February 2021

Dear Parents, Guardians, Students and Colleagues

Thank you to everyone who has taken part in our virtual challenges. Hopefully, you will have seen on our social media pages that we completed the Land's End to John O'Groats Challenge on Monday. It took the Saint Felix community just ten days to complete the distance, well done to everyone that took part.

The results of the Suffolk Coastal Path Challenge can be found on our website. Thank you to everyone who took part and well done for your achievements. <https://stfelix.co.uk/sport-activities/>

This week's challenge

On Monday 8th February, thousands of runners will find out if they have been successful in securing a place in the London Marathon 2021 Ballot. The first London Marathon took place on 29th March 1981 and every year millions of pounds are raised for charities by participants of all abilities. So, in honour of this great event, we have decided to link this to our virtual challenge.

The Saint Felix PE Department challenges you to see how far you can get round the world-famous London Marathon course. How many famous landmarks can you pass using the course map and course information provided?

The challenge will run from Friday 5th February to midnight on Thursday 11th February.

There is also a video link of the London Marathon course. https://youtu.be/WmabgZ_0SbU

Please keep sending in your photographs, we love seeing you out and about on your adventures, clocking up those miles. You can keep updated via Twitter, Facebook and Instagram and also through our school website.

If you have any questions, please do not hesitate to contact me.

Good Luck!

Yours sincerely

Mrs Chantelle Gallagher
Head of Fifth Form
Director of Sport
